## THREATS

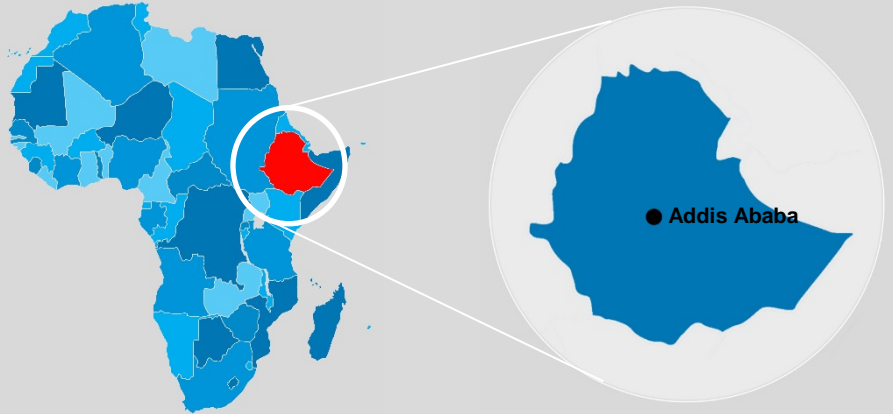

Great care should be taken when travelling to Ethiopia, as The UK Foreign Commonwealth Office (FCO) has recommended against all travel to large areas of the country. This is due to a high threat of terrorism from terrorist groups such as Al Shabaab.

**When travelling to/in Ethiopia, there is high threat of:**

- **Terrorism**
- **Kidnapping**

According to the FCO visitors should be especially vigilant when in "crowded areas and public places like transport hubs, hotels, restaurants, bars and places of worship during major gatherings like religious or sporting events". You should always check the latest security updates before travelling to Ethiopia.

Refer to your own government or embassy for further information applicable to you.

**Due to the present threats in Ethiopia, it is widely recommended that you do not travel to this country without sufficient Travel Insurance. Always check your Travel Insurance policy will cover you for high risk locations.**

High Risk Voyager Travel Insurance is available to a wide range of nationalities travelling worldwide and can provide peace of mind when travelling to higher risk destinations such as Ethiopia, due to the wide range of Medical cover provided within our policies, which is inclusive of Emergency Medical Repatriation/Evacuation, Political and Natural Disaster Evacuation Expenses, Personal Accident cover, Hijack, Mugging, Piracy and Wrongful Detention, PTSD Assessment and Counselling following a Hostile Event and more. High Risk Cover is provided with a 24/7 Emergency Medical Helpline and Assistance Service staffed by experienced coordinators, as well as in depth Pre-Travel Country Information Files and the "One Tap" Emergency App.

Additional Optional cover is available if you wish to extend your High Risk Voyager Travel Insurance policy, such as Enhanced Personal Accident, Non-Medical Coverages (e.g. baggage, travel delay and missed departure) and Cancellation, Trip Interruption and Disruption Coverages.

It is recommended by the UK Foreign and Commonwealth Office that you have Travel Insurance for Ethiopia. Always ensure your policy will cover high risk destinations.

### Please Note:

This is a summary document and is subject to change. All High Risk Voyager customers have **full access** to updated comprehensive country information profiles, with access to profiles available for the duration of their Travel Insurance policies.

If you would like to gain full access to country information profiles, you can do so by purchasing a High Risk Voyager Travel Insurance policy.
